

Color.

Add color. Add quality. Add total affordability!

Finally, small businesses, home offices, even individuals in large organizations can cost-effectively upgrade to a personal full-color laser printer. The Ricoh® SP C210 gives single users the crispness and speed of a laser printer, plus brilliant color whenever they want. All for the same price as a black & white laser printer.

- 31 ppm for black & white prints and less than 13 seconds to first print
- 8 ppm for color prints and less than 19 seconds to first print
- 250 Sheet, 8.5" x 11" paper tray capacity (optional 530 sheet capacity tray)
- Handles paper sizes up to 8.5" x 11" (optional tray to 8.5" x 14")

Low-Cost.

Convenience.

Professional speed and color

You can have it all. Color printing that makes a strong, professional statement about you and your business. And a fast monochrome print speed that minimizes waiting and helps busy professionals stay on schedule.

- Increase the impact and interest of your reports, mailings, proposals and presentations with crisp, full-color printing.
- The Ricoh SP C210 speeds through 31 ppm in black & white and prints an impressive 8 ppm in color.
- Print last minute pages and still stay on schedule. The Ricoh SP C210 kicks out first prints in just 13 seconds for black & white and just 19 seconds for color.

Easy to use, easy to own

The Ricoh SP C210 minimizes hassles and expenses by combining minimal upkeep with straightforward usability and an affordable total cost of ownership.

- Hit the ground running, right out of the box! A simple operation panel makes it extremely quick and easy to access all the Ricoh SP C210's functionality.

- Enjoy hassle-free operation. Smooth-feed paper trays and a straight paper path practically eliminate mis-feeds and jams.
- Continue to save with budget-friendly supplies that make the Ricoh SP C210's attractive purchase price an even better value.
- Change toner in seconds. Both the toner and waste toner bottle are conveniently located in the front of the system. Just open the toner door for quick replacement.

Production-boosting flexibility

Print business cards, presentations, sales letters, flyers and more right from your desktop. No matter what you need, you can print it in full color or crisp black & white.

- Expand your capabilities. The Ricoh SP C210 lets you print on cardstock, envelopes, labels, glossy paper and transparencies.
- Maximize productivity by minimizing interruptions. An optional 530-sheet large capacity paper tray boosts your paper capacity to an impressive 780 sheets.
- Extend your system's overall functionality. Add the optional legal cassette and print legal-sized documents too.
